

Where did all the deer go?

Turn In Poachers

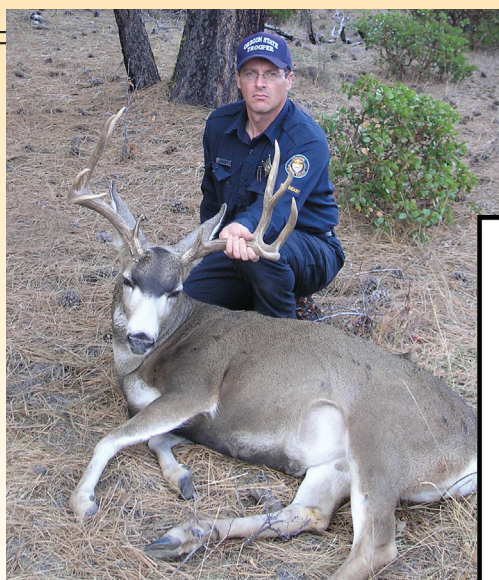

\$250 reward for information leading to arrest/conviction of poachers.
Reward higher for trophy deer or deer poached in MDI units 36, 46, 48, 69 74.

1-800-452-7888

Poachers killed more radio-collared mule deer than hunters did in south-central Oregon during a six-year study.

- Poachers often killed females, not bucks.
- Less females means fewer fawns are born or survive.
- Mule deer populations suffer.

Radio collared mule deer deaths
South-central Oregon study, 2005-2011
